

**UNIVERSITY OF ILLINOIS AT CHICAGO
GUARANTEED PROFESSIONAL PROGRAM ADMISSIONS (GPPA)**

**SCHOOL OF PUBLIC HEALTH
CONDITIONS OF ACCEPTANCE
FALL 2017**

Undergraduate Program Requirements:

Students admitted to the Guaranteed Professional Programs Admissions (GPPA) in Public Health must maintain at least a 3.24 undergraduate grade point average (A=4.00).

Undergraduate course requirements for each division are as follows:

Community Health Sciences - one course in human biology

Environmental and Occupational Health Sciences - undergraduate courses in differential and integral calculus, inorganic and organic chemistry, and human physiology.

Epidemiology - an undergraduate major in biological or social sciences or mathematics.

Biostatistics - an undergraduate major in mathematics or biology and at least one year of college calculus.

Health Policy and Administration - an undergraduate background in a biological, physical, or social science.

Membership in the UIC Honors College is strongly recommended by UIC, but not required.

GPPA students will also be expected to participate in seminars and other extracurricular activities at the School of Public Health during the undergraduate studies. In the senior year students must take the Graduate Record Examination (GRE). The test is required for reporting purposes only.

Having completed each of these requirements a seat will be reserved in a Public Health graduate or professional program of the applicant's choice.
